Airbnb Cleaning Services – What’s NOT Included

While our Airbnb cleaning services aim to provide a thorough and welcoming environment for your guests, there are certain tasks and areas that are not covered under a standard Airbnb clean. Here’s a list of what typically won’t be included:

Not Included in Airbnb Cleaning

- Structural Repairs and Maintenance:
 - Fixing structural issues or repairs (e.g., broken doors, windows, fixtures).
 - Plumbing repairs or unclogging drains.
 - Electrical repairs or installation of new fixtures.
- Exterior Cleaning:
 - Power washing of exterior walls, driveways, or patios.
 - Cleaning of external windows (unless specified).
 - Roof cleaning or gutter clearing.
- Heavy Lifting or Moving:
 - Moving heavy furniture or appliances.
 - Cleaning behind or underneath large, immovable items.
- Specialist Cleaning:
 - Removal of hazardous materials (e.g., mould, asbestos).
 - Professional pest control services.
 - Cleaning of biohazards or crime scenes.
- Personal and Delicate Items:
 - Cleaning of valuable or delicate items (e.g., antiques, artwork) without prior arrangement.
 - Organising or decluttering personal belongings.
- Laundry and Garment Care:
 - Extensive laundry and ironing services (beyond changing and washing bedding and towels).
 - Dry cleaning of garments or upholstery.
- Outdoor Areas:
 - Garden maintenance, lawn mowing, or landscaping.
 - Cleaning of garages, sheds, or outdoor storage units.
- Advanced Cleaning Techniques:
 - Deep cleaning of carpets and upholstery (requires professional steam cleaning services).
 - Sandblasting or other heavy-duty cleaning methods.
- Custom or Unusual Requests:
 - Cleaning services beyond standard residential or hospitality requirements.
 - Tasks requiring specialised equipment or expertise not typically found in a domestic or short-term rental setting.

If you require any of the above services or have specific needs that go beyond our standard Airbnb cleaning offerings, please contact us to discuss your requirements. We are happy to provide tailored solutions or recommend professionals who can assist with these specialised tasks.
